Report:

Waveney U11 Girls travelled to Brandon for their second encounter in two weeks.

Last week Waveney won a close game, this week, Brandon were no less determined. After some good early attacking play, Waveney went ahead after S Callaghan popped up with a great run and shot.

Unfortunately, substitutions that were made after the goal unsettled the team, and by half time Brandon were level. As in the first game, the second half was a different story as Waveney pressed to regain the initiative. Again, S Callaghan found a way through the defence and scored making it 1-2.

As the balance tipped towards Waveney, B Turner went between 2 defenders to score inside the penalty area. Then, 5 minutes before the end, B Turner wrapped the game up; shooting from outside the penalty box to make the final score 1-4. Despite the score line, Brandon's girls played well, as did Waveney who battled hard to grind out a victory. In truth, Brandon never gave up, but in the end, Waveney passed the ball better and proved more solid in defence.
