Report:

Despite the wind, rain and hail, Waveney U11 Girls travelled to their away fixture with Firside in Norwich. From the kick off, both teams worked hard to assert themselves, but despite Firside's efforts, Waveney gradually took control. Within 5 minutes G Lee had tapped home from close range and S Callaghan had scored after some great passing play. B Grace made it 0-3 with a good shot which gave the keeper no chance, and then just before half time, L Robbens shot hard and low from 15 yards to make it 0-4. As the second half began, players from both teams were wet and cold. Despite the score and the conditions Firside continued to battle, and had several chances to score goals. On the day though, Waveney were just too strong. Further second half goals were scored by B Turner and S Callaghan before the referee finally ended the game prematurely with the score at 0-6 with about 10 minutes to go. Firside lacked substitutes, though never gave up. All players from both teams deserve every credit and battled hard. As for Waveney, feel proud of yourselves girls. It wasn't pretty, but a great result nonetheless. Well done everyone.
