### Report:

Waveney travelled to Mulbarton for this season's first encounter between the two teams.

From the kick off, both teams were slow to start, but Waveney gradually took control. Within 5 minutes they were ahead with a super individual effort from S Callaghan. 10 minutes later S Callaghan finished again after some great passing from midfield.

Mulbarton were kept at bay by solid defending and at half time, Waveney led 2 - 0. Soon after the restart, Waveney continued to play a steady game.

D Newman was completely solid in defence and G Tiffin, (playing out of goal) showed her complete determination. B Turner scored a good third goal which again came from excellent passing, and towards the end, S Callaghan completed a well deserved hat trick, with G Lee scoring the last goal to make it 5 - 0.

Mulbarton battled hard, but were unable to withstand a great overall performance from Waveney.

Another excellent performance. Well done everyone.
