Report:

The sun shone as Waveney travelled to North Walsham on Saturday. Early in the game Waveney could not get started and North Walsham came out fighting. Within 10 minutes, North Walsham went ahead after poor Waveney defending. Despite this, Waveney rode their luck and against the run of play, S Callaghan ran through to put Waveney level. Just before half time, S Callaghan scored again with a low shot to make it 1-2.

During the second half, a much improved Waveney team passed and shielded the ball with more confidence. Before long, the pressure paid and S Callaghan completed her hat trick. By now, North Walsham were under the cosh. A B Turner corner went to L Robbens who shot to score a great goal, then soon after A Everson scored a high looping shot from distance. At 1-5, the game was over, all for a cruelly deflected corner which went in the net. 1-6 the final score. D Newman and G Tiffin played well in defence, but notably, all the midfield girls came alive and snuffed out North Walsham's positive start. Well done to all the girls for what was a well deserved victory.
