Report:

Playing in their new kit sponsored by eon Waveney U11 Girls welcomed Bohemians U11 Girls for their first encounter this year playing in the 2nd round of the NWGFL League Cup. Bohemians, currently top of the U11 league came out in determined fashion, but as the first half progressed, a hungry looking Waveney team started to get a foothold. Midway through the first half, B Turner showed real skill, playing a great cross to G Lee who buried the ball in the net from 5 yards. Other Waveney chances came and went, but despite the pressure, Bohemians nearly snatched a goal before half time, when a free kick flashed past the post.

The second half became a real battle. Waveney's G Lee had three solid chances that went begging; created by great passing and determined tackling from E Walker, M Lyon S Callaghan and B Grace. B Turner nearly made it 2-0 when she hit the bar with a ferocious shot from 15 yards. Bohemians battled on, and despite a few half chances and some great defending from A Everson L Robbens and D Newman, the scores remained even. In such an exciting and competitive game, it was odd that G Tiffin the Waveney goalkeeper had little to do. A special mention must go to The Waveney defence, especially A Everson. She and they were solid and strong and stopped Bohemians from playing.

The game ended 1 – 0. This was Waveney's best win so far, and sets them up nicely for their 2nd meeting with Bohemians next week, this time in the league. What an absolutely great game. Well done to the teams and all the supporters who turned up to cheer.
