Report:

This week, North Walsham travelled to Barnards Meadow to play an in-form Waveney team.

In a well contested and excellent game, both teams battled hard to assert themselves. The first half was initially quite even, but after 10 minutes, S Callaghan hit a low shot to put the home team ahead. 5 minutes later, B Grace, scored her first goal of the season to make it 2-0. Despite their efforts, North Walsham could not get to grips with Waveney girls who linked pass after pass. S Callaghan and B Grace again found the net and at 4-0 the pressure was off the home team. Just before half time A Everson came up from defence to hit an excellent low shot from outside the area to make it 5-0 at half time.

The second half carried on in the same vein, with, S Callaghan, L Robbins and G Lee all scoring really good goals. In truth, the result would have been higher, but for some skilful goalkeeping and determined team play by North Walsham.

All of the Waveney girls should be proud of their efforts. A great display of passing and a real team performance. The final score 8-0 was a good and fair result. Well done girls.
