Bohemians U11 Girls	2	V.	2 Waveney U11 Girls
		L Robbens A Everson (Huge DEFLECTION)	
Referee:	Alan Anguish		

### Report:

Having narrowly beaten Bohemians in an enthralling cup match last week, this week's away fixture saw both teams battle it out once again; this time in the league. In cold and windy conditions, both teams went out to win. Bohemians struck first midway through the first half after Waveney were found ball watching from a free kick. Despite this, with little between the teams, Waveney levelled the scores, when L Robbens scored from distance from a free kick 5 minutes before half time.

Largely due to the wind, the second half lacked much in the way of skill and both teams battled hard and continued to have chances. Bohemians went ahead again after an attack on the Waveney goal went unchallenged. Waveney also had chances and determined defending and midfield play from D Newman and L Cathersides helped Waveney to stay in the game. Then, out of nothing A Everson hit a low shot from outside the area which took a huge deflection leaving the goalkeeper no chance. The game ended 2-2, which was a fair result overall. Both teams should be congratulated for their hard work and efforts in such cold and windy conditions.
