Sprowston U11 Girls	3	V.	2	Waveney U11 Girls
		S Callaghan A Everson		
Referee:				

### Report:

On Saturday, Sprowston welcomed Waveney for this season's return fixture having drawn the first game 1-1. From the kick off Sprowston pressured the Waveney defence and within ten minutes scored and deserved to lead 1-0. Gradually, Waveney started to pressure. S Callaghan made some good runs, L Robbens worked hard in midfield, but all to no avail. At half time a 1-0 score line did little to tell the story.

The second half was a very much more even and exiting battle. Within 5 minutes of the restart, S Callaghan took a pass and scored a low shot to even the score. Sprowston fought back and a midfield error left a free shot to a Sprowston player who scored with some ease. Waveney continued to surge forward and pressed the Sprowston defence. E Walker battled hard making several determined tackles to keep the pressure on Sprowston. Then a Waveney shot into the box struck a Sprowston arm. Penalty! A Everson stepped forward to blast a well placed shot and it was 2-2. Just when everyone thought it was all over with honours even, a good Sprowston attack put a ball into the box which Waveney failed to clear. With the ball in the net, it was 3-2.

In the remaining minutes, Waveney and Sprowston had their chances, but in truth Sprowston probably edged it to gain a valuable win. Credit for a real battle of guts and determination must go to all the girls from both teams. For Waveney a special mention should go to L Robbens for some good skill in and out of goal.
