### Report:

Waveney U11 Girls welcomed Sprowston U11 Girls for their first encounter this year. In a somewhat disjointed game, and despite several missing players, Waveney did their very best and played with determination across the park. Sprowston took the lion's share of the play in the first half and good defending by G Tiffin and L Robbens kept the scores even. Ten minutes before half time, an accidental handball led to a penalty being awarded. A Everson saved the shot, but the rebound was buried. Despite being 1-0 down at half time, Waveney battled on. B Turner was tireless and G Lee, B Grace and M Lyon ran their socks off. S Callagham had several excellent runs on goal but Sprowston made life difficult. Then, midway through the second half, after continual pressure A Everson came up from defence to score from outside the area. Both teams pushed for the winner but to no avail in the end. The game ended 1 – 1. A special mention must also go to L Robbens who was strong and secure in goal and in defence.

Well done to the teams, their supporters and the young referee L Teicher who had an excellent game.
