Report:

Another wet, followed by Hail, start to this 2nd round cup match. Waveney started out strong and within five minutes saw a powerful shot from David bounce out of the keeper's hands which was quickly picked up by Bradley and knocked into the back of the net.

The boys were playing good football, passing the ball well. Michael C and Aaron were working well in mid field and backs Dion, Peter and Matthew were quick to keep Sole Bay out.

Ross had little to do in goal but was on form taking control of the ball and getting it away quickly. A run down the wing and a powerful shot from just outside the edge of the box saw Bradley get his second. David had more attempts on goal but they did not want to go in, ending 2-0 at half time.

The boys came out with great enthusiasm and within two minutes David's attempts on goal were finally rewarded with a great run down the midfield and a powerful left footed shoot over the keepers head. Sole Bay never gave up to their credit but Waveney were quicker and took more chances.

A great run by Michael C past two defenders saw yet another great goal. Bradley carried on the great form by leaving the Sole Bay's defence standing with his best goal of the day ruled offside. Waveney were undeterred and a pass across to Liam at the edge of the box and into the corner of the net saw the final score 5-0.
