### Report:

Waveney's first game of the session as an 11 a-side team started with great confidence.

With new players Conner H, Aaron, Josh, Peter & Sam joining an already well established team they all slotted in well.

Bradley, Harry and Josh played well up front and it was only a matter of minutes before midfielder David put the ball into the corner of the net giving the keeper no chance.

Mathew and Conner H battled well in midfield and after another five minutes saw a long and high powerful shot from Aaron over the keepers head give Waveney their second. Ross saw little action in goal in the first half until minutes before half time when Sole Bay made a break and got one back with a great overhead goal making it 2-1 at half time.

Second Half saw Conner S (team captain) keep a strong defence line along with Dion and Michael, as Sole Bay gave Ross more action in goal with some great saves. Waveney continued to push forward when Sole Bay's defence deflected the ball over their keepers head making it 3-1. Both teams had to get used to the offside rule through trial and error, but it will come in time. Peter came on at half time in defence and made his presence felt with some great defence work.

Sam came on for David, who sustained an injury, and got straight into the game with some great runs. Unfortunately for Sole Bay another push forward from Waveney saw the same player put another goal over the keepers head making it 4-1 at full time.

The boys did themselves proud.
