### Report:

The boys presented Blundeston Magpies with a ball and card for Kyle from the U8's and wish him well in his recovery.

This was a game dominated by Waveney from beginning to end. They started out strong and had many chances on goal with Aaron hitting the bar along with other players.

A hand ball in the box gave David a penalty which unfortunately went wide of the goal. We thought it would be another one of those games where the ball would not go in. The boys persevered and were constantly on the attack.

Harry and Matthew worked well in midfield with Dion, Peter and Michael S standing strong in defence. They played some outstanding football with some great passing which lead to Peter beating the keeper to get the first goal of the match. It was closely followed by a great shot from David to more than make up for his penalty, making it 2-0 at half time.

The boys deserved a lot more goals as several more attempts ended hitting the bar, going wide or saved by the keeper. Connor made some good saves but really had very little to do in this game.

Michael C outpaced the defence with a run down the wing to power his shoot past the keeper into the top right corner of the net. Magpies never gave up and a scramble in the box saw them get one back.

Waveney kept on the pressure constantly pushing forward when Liam was brought down in the box giving Waveney their second penalty. Josh obliged, kept it low to make it 4-1. Ross and Bradley both again had shots on goal. Bradley's free kick towards the corner of the net saw the keeper knock it out to the wing. Ross quickly picked it up with a cross to Josh who headed it into the back of the net.
