Date:	21.03.2010	Kick Off:	1.30
St Benets Wasps 'A'	3	4	Waveney C U11
		Bradley David Aaron Ross	
Referee:			

Report:

St Benets came out the stronger side in the first half. They dominated the play and took more chances. A corner saw a great header from St Benets to take the lead. Waveney seemed slow to react when St Benets knocked in their second. Connor S was working hard in goal and made some great saves but St Benets new found confidence saw them get their third making it 3-0 at half time. A team talk from coach Hilly saw Waveney come back out with more determination and energy. They looked a different team and the ball stayed in St Benets half for rest of the game. They got back to one touch football and Michael C took on the defence with great skill and pace. A long pass from Josh to Bradley on the wing saw Brad power the ball over the keepers head. Waveney continued to push forward with David entering the box, the keeper tried to dive on the ball but missed to which David slotted it into the back of the net. Within minutes Aaron sent a long ball from just inside the half way line over the keepers head, he managed to get a touch but was unable to keep it out. Waveney had more shots on goal but Ross finally finished the score at 4-3 when his corner was caught by the keeper inside the goal line.
