Report:

Waveney went into this Cup game knowing it was going to be tough as Caister had not yet lost a game and were top of 2nd division table. Ross was taken ill at the last minute so reserve keeper Connor S took over in goal. Waveney got straight into the game playing some really good football. Peter, Matthew, Michael and Dion were strong in defence not allowing Caister through and getting the ball away quickly. 10 minutes into the game a cross into the box saw a great header from Josh for Waveney to take the lead. Caister had only a few attempts on goal but Connor S was quick to react. The boys were constantly giving Caister's defence problems with further attempts on goal only making it 1-0 at half time.

The second half continued in the same vein with Waveney again dominating. All the boys had a great game with Michael C outstanding in midfield. Bradley and David both had their attempts on goal saved by the keeper. Ten minutes before the end of the game the heaven's opened with rain turning to hail. The boys carried on and a great run down the wing saw Liam shoot from the edge of the box into the corner of the net giving the keeper no chance. A well deserved win by Waveney making it 2-0 at full time.
