

**Norfolk & Suffolk Youth League Division 1**  
**Sunday 11 October, Blundeston Magpies 3 Waveney Youth U12A 2**

Waveney U12A continued their away day blues when losing by the odd goal against Blundeston on Sunday. In an exciting first-half, the visitors twice conceded sloppy goals from poorly defended corners, but to their credit Waveney came back on both occasions to grab an equaliser. Gallant lobbed the keeper after clever play by Jermy and Phillips for the first, and then Jermy scored his first goal for Waveney after Sissen's fine interception to make the score two-all at the break.

In an even second-half, Butler came close for the visitors from a corner but Blundeston always carried a threat down the flanks and after surviving one scare from the right side, Waveney were caught napping down the left for the home team's winner.

Despite this disappointment, Waveney can hold their heads-up for their contribution to a sporting and close encounter, and there were enough positives on show to believe that a winning run is just around the corner.
