

U12 Norfolk & Suffolk League Division One
Sunday 14 February, Waveney Youth U12A 5 Gorleston FC A 1

Waveney U12A welcomed the Greens to Denes High School and three points from a comfortable victory was enough to put Waveney level on points at the top of Division One. Gorleston pressed early and chances were few and far between until Nichols' fine through ball released Woods who finished under the keeper to put the hosts ahead. French was prominent down the right and a quick break started by Walpole was finished in style by Anderson whose trickery in the box secured a second for Waveney. Gallant's persistence helped set-up Woods for number three just before the break as Waveney dominated.

In a more subdued second-half, Waveney won plenty of possession but could not fashion a further breakthrough. The Greens then hauled themselves back into the game when converting a penalty - which Meades almost saved - awarded after a trip in the box. Briefly, the visitors threatened but after French burst clear and shot just wide, Jermy calmed the home team's nerves with a clinical strike from a quick throw-in routine involving French and Phillips. Jermy then struck the post from a corner before top-scorer Woods claimed a hat-trick with a right-foot finish to round-off a satisfactory performance by Waveney.
