

**Norfolk & Suffolk Youth League Division 1**  
**Sunday 15 November, Hemsby Hornets 1 Waveney Youth U12A 3**

Waveney U12A travelled to Hemsby on Sunday and secured all three points from a competitive encounter. On a tight pitch the visitors worked hard to get their passing game going, and it took a piece of magic from Gallant to fashion the opener which Woods finished from close-in to sweep Waveney ahead. Hemsby were quick to get the ball forward and from a quick throw-in Meades was beaten by a speculative lob for their leveller.

Waveney regrouped and Nichols was bundled over in the box to earn a penalty which skipper Butler converted with poise to restore the visitors' advantage. Shortly afterwards Nichols was again tripped in the area but this time play was waved on and Waveney had to settle for a one-goal lead at the break.

Although playing the more precise football Waveney struggled to create any clear-cut openings as they searched for a third goal, but the stylish combination of Bush and Sissen were strong in the tackle and together with Walpole and Butler repelled the home team's sporadic attacks. Waveney finally got the cushion their dominance deserved when Phillips, Jermy and Mahoney combined for the best move of the match which Woods finished at the near post with a clever flick past the stranded Hemsby keeper.
