N&SYL League Cup Preliminary Round, Waveney Youth U12A 11 Bungay Town 0

Waveney Youth U12A began their defence of the League Cup when entertaining Bungay Town at Barnard's Meadow on Sunday and in atrocious conditions the cup-holders achieved a comfortable passage to the next round. Playing with the strong wind in the first-half, Waveney set about their task with determination and scored eight goals before the break. Nichols playing in a more advanced role rattled in five, and Gallant, Evans and French were also on the mark.

Nichols then added the ninth early in the second-half to complete a personal six of the best and it was left to skipper Butler to add a quick-fire brace from set-pieces. Despite the monsoon-like weather there was some quality finishing on show and other goals could have followed. The visitors battled away to their credit and both teams deserved praise for defying the increasingly difficult conditions.
