### Report

Waveney A entertained Waveney B after their promotion to the top flight in this entertaining encounter. Both teams have been waiting for this day as the new league season kicked off.

With both teams fielding several new faces and against each other it could be said no one knew what to expect and this had an effect as both teams struggled to adapt on a small pitch with no fluent football in the opening 15 minutes. Once the A's found their form it was a joy to watch, Joe found Tom who hit a pile driver that went inch's wide, and Ryan passed to Liam SS who found Joe who shot hard and low but narrowly missed the target.

Joe burst through but the keeper was on hand to save and the keeper again foiled a promising move when Sam's neat play released Jordan but Dom was brave diving at his feet. Joe had a further shot but the keeper gathered and from a quick throw Liam Brown jinxed his way in the box to cross for the unmarked Liam SS to poke home. A moment of indecision allowed the B's forward to nip in and chip the stranded Bradley in goal but this spurred the A's on and within minutes Liam SS thought he had scored only for the goal to be disallowed but this riled the A's and within a minute Joe's screaming shot put them back in front.

Joe was now becoming a threat with every touch and a burst of pace got him goal side of the defender and his chip was to perfection making it 3-1. Some great skill from Ben released Liam Brown who took the ball on and passed back to Shaun who blazed the ball passed Dom from outside the area. A big punt up field again caused problems with the A's and allowed Harry to nip in and chip the keeper.

After the break the A's had a lot of possession and created numerous chances, 3 quick corners caused problems the best a Bailey header just over the bar. Again a Tom corner was met by Bailey who this time just headed wide after which a screaming shot from Shaun from all of 30 yards was rifled in the back of the net.

## Waveney Youth F. C. Match Report

Keelan put a superb ball through to Jordan who at an angle beat the keeper but went just the wrong side of the post. Jordan then turned provider with a cross which was met by Ryan but went just over the bar. Liam SS had a shot that was saved and from a good Sam corner which was headed out Tom saw his shot hit the side netting. Sam who had an excellent game in midfield played a delightful ball in for Ben whose cool finish completed the scoring. From a corner Jordan headed against the bar and Jordan with his jinxing feet set up Ryan but he shot in to the side netting.

**Sam Burrows for an excellent all round performance.**

Guys.

It is always nice to get 3 points on the board in your first game and this game was always going to be tough against your fellow friends within the club. Excellent all round performance once we got going, it was a joy to watch with some cracking performances all over the park. Well done to the B team who experienced 1<sup>st</sup> division football for the first time after their brilliant progress of 3 promotions in 4 years, good luck to you all for the rest of the season.
