

Waveney Youth F. C. Match Report

Competition	U13 LEAGUE			Div	1
Date:	15/11/2009		Kick Off:	10.30	
Waveney Youth U13A	3	V.	1	Gorleston Rangers A	
Jordan Goldspink Joe Dowsing Tom Shilling					
Referee:	Kevin Gook				

Report.

With both these teams sitting 1st & 2nd in the league and with the abundance of talent of show a spectacular game was expected. Gorleston were looking for revenge for the earlier in the season defeat by Waveney and came out with all guns blazing, Gorleston looked up for the fight with Waveney still looking asleep and Gorleston after a fine move scored in the opening 2 minutes. Waveney tried to rally mainly with Joe & Jordan who were combining well but generally Gorleston looked more determined to win the ball and certainly played the better football in the first half.

Midway through the first half a fine ball from George found Jordan who turned on a sixpence and shot high over the keeper. This did briefly start Waveney working and Joe was unlucky with a fine run and shot and Liam SS also was unlucky when he shot wide.

The half time talk was all about how and what to do to win the game and what a difference this made as Waveney were totally a different team in the second half. Within a minute Ryan burst through but shot straight at the keeper. Ryan & Jordan were combining well up front and a neat one two between the two allowed Jordan the space to shoot but his shot went wide. Again Ryan's pace scared the Rangers defence and some how Ryan from miles away ran passed everybody to chase a lost cause and after reaching the ball cut back clearly to Jordan who in front of goal somehow managed to slice wide.

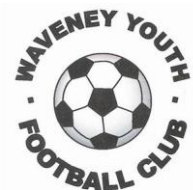

By now Waveney were creating chance after chance with very little thread from Rangers, again Ryan's pace got him in a superb position only for the Rangers defender to haul him to the ground and from the resulting penalty Tom made no mistake. Rangers needed to attack and this left even more gaps at the back that Waveney opened up at every opportunity.

Joe on a good run was brought to the ground and from the resulting free kick from outside the box Joe curled one in to the top corner. A neat 4 man move gave Ben the space to drift in to the box but his well struck shot was superbly saved by the keeper.

Waveney Youth F. C. Match Report

Joe and Ryan combined well and Ryan was unlucky with his shot. In the final minute Rangers attacked well and failure to close down resulted in a good goal bound effort but Bradley was on hand to pull off a good save

Wavetrade crane hire M.O.M

Several players deserve a mention like Liam B, Joe, Ryan and Jordan who all played extremely well but the M.O.M. has to be Bailey Jenner for a superbly dominant and cool performance at centre half.

Guys.

Must admit I thought it was going to be one of those days after the first half performance but what a difference after the break. You wanted the ball, you played for each other and you totally took control against a superb Rangers side.

Again I must say thank you to all who were substituted as you all accepted it with no complaints and special praise to Lewis who waited in the wings for his chance to get on.

Bradley hope you noticed the difference this week, you made yourself available at every opportunity and commanded your box very well, well done young man.

Well done guys, we need more of the same next week.
