Report

Waveney travelled to last years champions Rangers A for what was expected to be an excellent game of football and both sets of players did not disappoint with a wonderful game of football for their young years.

It was Rangers who were asking the early questions with some excellent one touch football and Bradley was soon to make a good save from a quick Rangers break. Waveney stuttered in the opening 5 minutes but once Shaun had a good shot on goal and Tom's neat ball gave Jordan a chance it seemed to calm the nerves. Ben operating just in front of the midfield was soon showing his trickery and had a good shot on goal and combined well with Joe to set Jordan up but his shot went just wide. Rangers came back and had a good shot on goal and then Bradley produced an excellent point blank save.

Waveney were trying their luck from distance but 3 shots from Jordan, Sam and Shaun lacked the power needed to beat the keeper. Rangers always looked dangerous with their quick breaks and balls over the top and were unlucky when clear as the forward put over the bar. A neat Waveney move started with a Sam header to Jordan whose neat touch released Ben but he shot just wide and another excellent move allowed Sam to shoot but the keeper gathered. Bradley had to be alert to the Rangers forwards and was called in to action twice in quick succession once with his feet and the other an excellent save.

Again a bright Waveney move saw Jordan shoot wide. Joe broke down the left and beat his marker to move in to the box and his neat cut back to Keelan had the keeper scrambling across his line. Rangers then had 2 quick chances but the Waveney defence held firm. With 2 minutes to go before half time a delicate pass from Ben gave Jordan a chance this time his long legs got him there just before the keeper and he was able to tuck away for a one nil lead. Within seconds Waveney had a goal disallowed and Rangers finished the half missing an excellent chance.

Within a minute of the restart Rangers were levelled with a good breakaway goal. The second half continued like the first with end to end football, first Joe went on a mazy dribble and crossed for Ben who headed straight at the keeper and Bradley had to be alert with two

quick saves. But from the moment Jordan scored his second after superb work from Ryan there was only one team in it as Rangers seemed to lose faith. Jordan's excellent touch set up Ben and then a whole host of chances fell to Ben, Joe, Jordan, Sam and George. With 10 minutes remaining Jordan completed his hat trick with a good goal. Bradley again had to be alert to make a good save and Rangers had one other chance to score with a super cross along the goal line.

Man of the Match**

Sam again was superb with his non stop running and Ben's movement was the best it has been, although this was an excellent team performance the man of the match has to be Jordan. Keep believing.

Guys.

Absolutely superb today, grit, determination and a sheer willingness to succeed. There were brilliant performances all over the pitch today against a superb footballing side themselves but it was your battle that got you through as Rangers have the footballers and the skill but they just could not cope with you today. An excellent game of football that was enjoyed by all well our parents at least.

Well done to you all and keep it going next week.
