Bungay Town	2	V.	9	Waveney Youth U13A	
			Ryan Nixon (4) Joe Dowsing (2) Liam Storey-Smith Jordan Goldspink Shaun Frary		
Referee:	Nick Read				

### Report.

It could be said that Waveney were not looking forward to this match after the last two seasons hard fought narrow victories especially with the influential Ben missing and 4 players feeling unwell. But their fears were short lived when Ryan calmed the nerves in the 4th minute with an opening goal set up after super trickery on the left by Joe who beat his marker and crossed perfectly for Ryan to tap in. Joe himself then went on an excellent run beating 3 players and drifting in to the penalty area his shot had the keeper beat hands down but the foot of the post came to Bungay's rescue. Bradley from a clearance kicked the ball straight in to Joe's path and after an excellent first touch Joe chipped the keeper to perfection to increase Waveney's lead.

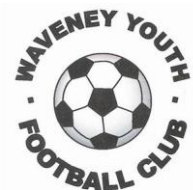

A neat 3 man move increased Waveney's lead when the superb Joe beat his man passing to Sam who neatly involved Liam B and his cross was met by Liam SS at the back post to fire home. From a Shaun corner Joe headed against the bar. Within minutes of the restart Bungay's hopes were raised when a big attempted cross somehow crept in at the back post.

This only fired up the Waveney players and Sam put a delightful defence splitting pass through to Ryan who calmly finished. Waveney were now making changes as some of the players were feeling the effects of illness but all the players switched about played with pride and kept the game going. Another neat move down the left and a super cross by Sam was met by the incoming Shaun who fired just wide. No 5 came again from the irrepressible Joe whose cross was knocked on by Jordan with Ryan waiting at the back post to touch home. No 6 was all Ryan's work when an excellent touch took him in to space and he coolly notched under the keeper. Again with the left working well Liam B found Joe who fired high in to the roof of the net. Liam B then went on a dribble and his dancing feet took him in to the box but his low hard drive hit the side netting.

## Waveney Youth F. C. Match Report

A lack of a tackle allowed Bungay to reduce the arrears with a near post shot but the score line was short lived as Sam made space and crossed to Jordan at the near post to touch home. The final goal came when Jordan headed the ball to Sam who beat his man and crossed to the in coming Shaun who lashed the ball home with some power.

**Wavetrade crane hire M.O.M**

A lot of the team played well and Ryan deserves credit for the way he took his goals but the M.O.M. goes to the superbly talented Joe Dowsing.

Guys.

I know it was tough today especially with the illness in the camp but it shows your desire and determination in not letting your team mates down. Special mention today for Keelan who without any complaints played in a number of positions so that some of the players could get some much needed rest. Credit to you all boys, great to watch and a bonus that we at last took a number of the chances created.

Keep it going.
