Waveney Youth U13A	1	V.	2	Bohemians U13A	
Tom Shilling					
Referee:	Ollie Hall				

Report.

Waveney entertained Bohemians who were last season's league runners up and league cup winners. Both these teams did not let their supporters down with an excellent entertaining game of football.

Bohs looked apprehensive at the start of this game knowing what a good result Waveney had the previous week but early on Waveney did not take control and let them selves down with a weak start, the ball was mainly in the air and there was no fluency to either teams play. After only 5 minutes Bohs hard working frontline burst through the Waveney defence and the forward took his chance well for a one nil lead.

It took Waveney 10 to 15 minutes to get going and once Ben found his touch he caused Bohs lots of problems. Waveney pressured for much of the remaining half and had large dominant spells but could not break through a well organised and disciplined Boh's back line. Ben had 2 wonderful long range drives one which looked destined for the top corner but the Bohs keeper somehow saved it. Liam B linked well with Joe down the left and on several occasions Liam B played some fantastic passes to set Joe free but Joe was unable to find the finishing touch.

5 minutes in to the second half a Waveney defensive mix up and poor goal keeping allowed Bohs to score a weak second goal. It took Waveney a few minutes to find their composure but with 20 minutes to go Joe was fouled in the box and Tom stepped up to score the penalty with one of his power drives. From that moment the majority of play and chances were Waveney's but Boh's are excellent at counter attacking so Waveney had to be careful not to allow them any further chances, one time they did break Bradley was on hand to pull off a world class save.

A delightful ball from Jordan split the Bohs defence and Joe ran on to and with only the keeper to beat struck the ball well but somehow the keeper kicked his foot up to stop the ball going passed him for what would have been a certain goal but the ball bounced to Jordan who took the ball round his marker and shot for goal but the excellent keeper had got back in to position to pull off a breath taking save.

Waveney Youth F. C. Match Report

Joe put in a number of perfect corners the best which fell to Bailey who somehow misjudged the ball and failed to get a touch from a yard out. Tom played a quick corner to Liam B who set himself up and unleashed a lovely shot on goal which had the keeper beat but landed on top of the net. With their last push on the match Liam brown beat his marker and put in a superb cross that Sam headed well but just wide.

Wavetrade Crane Hire M.O.M

First half – Ben Testoni

Second half – Keelan Shand

Guys.

Last week you took your chances today you did not. If the truth is known we did not perform well enough in midfield today with players losing their positions and trying to move into other players spaces and we certainly did not have the battling qualities of last week but having said that you still put in a excellent performance and even though we had several players who did not play to their true potential you still matched Bohs all the way. (it is beyond me why some of you still think we cannot beat them) You did not deserve to lose today and a draw would have been a fair result against a very good compact unit.

You will have to take this one on the chin boys and hopefully put it right next week
