### Report:

After a change of venue due to a waterlogged pitch Waveney travelled to Grampian sports & social club in Haverhill to play Withersfield in this Suffolk County Cup semi final game.

Waveney started brightly and Joe had a good sighter for goal and Ryan went on a good run but his shot was gathered comfortably by the keeper. Withersfield grew in to the game and Waveney knew they were in for a battle with their desire to win the ball, they passed it well and with the big guy at the back was able to cover the constant breaks of the Waveney front line. Withersfield had a good chance to score but hit the side netting but with 10 minutes on the clock Ryan received the ball, turned and played in Joe who drove the ball hard and low to make no mistake for the first goal.

Waveney were unfortunate to have a goal ruled out when Ryan produced some superb wing play and crossed for Jordan who made no mistake but the goal was deemed to be from an offside position. After 20 minutes and from nothing a long range shot which looked covered by Bradley crept in the top corner to bring the sides level. Keelan went on a good run and played in Jordan who in turn switched the ball left to Joe who flashed a superb shot across goal but went inches wide. George then had to be alert to clear off the Waveney goal line but within seconds Waveney were up the other end and neat play from Joe released Jordan who unselfishly played in Ben but his shot just went wide. Liam SS again produced a piece of magic down the flank and crossed for Joe who made no mistake with his second goal of the game. Jordan finished the half with an excellent run that was let down with a weak shot.

After quite an even first half Waveney could have expected much the same in the second half against a strong and physical Withersfield team but when they needed it Waveney upped the pace to near on dominate the second half. Within 2 minutes of the restart and great hassling by Ryan made a Withersfield defender play a tight ball to his fellow defender but Sam would have none of it and chased and harried the defender to take the ball off him and set up Ben who supported well for an easy tap in.

## Waveney Youth F. C. Match Report

Tom took an excellent free kick that looked destined for the bottom corner but at the last second the keeper sprawled out his legs to knock away. Ben was now running the show against the bigger and stronger Withersfield defenders and his neat trickery allowed Joe to take the ball on and play in Ryan who with just the keeper to beat sliced the ball wide. Liam SS battled well with great hassling and this allowed him to win the ball and play in Ben but this time the keeper saved. Ryan was again set up and this time his unlucky shot came crashing down off the crossbar. Neat play from Joe resulted in a perfect pass to Ben who shot for goal but the keeper parried but Ryan was quickest to react and side foot home. From a Joe corner Shaun was unlucky when his thunderbolt volley went straight at the keeper. Waveney continued to dominate with Bradley hardly having anything to do in the second half for Waveney to record their 12<sup>th</sup> straight and much deserved victory.

The whole team for a very pleasing and much deserved victory.

Guys.

Again you have proved the team game works. Some great performance's all over the pitch but the most pleasing that after an even first half you upped the pace in the second with everybody working hard, covering each other and playing like a team not individuals. You now have the honour of representing the Lowestoft area against Woodbridge Town Youth in the Tesco Suffolk County Cup final on March 7<sup>th</sup>.

Well done to you all and a special mention to all the parents who braved the ice cold conditions to support the team so well.
