

Waveney Youth F. C. Match Report

Competition	IPSWICH & SUFFOLK OPEN CUP	Round	Qtr Final
Date:	07/02/2010	Kick Off:	13.30
Thetford Independent	1	V.	0 Waveney Youth U13A
Referee:	Aidan Linge		

Report:

Waveney's excellent run of 12 straight victories' came to an end after this horror show against a fairly ordinary but some what over physical Thetford side.

Waveney should have known what they were in for when not one Thetford representative came over to meet or greet the team on arrival or when getting on the pitch.

Waveney put some good early passes together but after that struggled to find any fluency or a way passed a packed defence.

Thetford scored 2 minutes in to the second half with a shot from just inside the penalty area while the keeper looked to have it covered.

Thetford never troubled after that and were more intent on not allowing Waveney to get to the ball.

Waveney Youth F. C. Match Report

Guys.

Not sure what went wrong today, could have been the long travelling of late, might have been you believing that it was an easy game, might just have been one of those days but it certainly was not a good day at the office and will be a long while before you play as badly again.

In the end you played right in to Thetford's hands and allowed their physical nature along with the constant chirping and some times ridiculous comments from the side line get to you.

Please remember that while sometimes you might think the management team are a couple of old farts they have been around you long enough to know something about you and you were warned that by the attitudes and lack of enthusiasm in the warm up how you would perform as this side of you has been seen before.

Remember you have won nothing yet so regardless of how good you or others think you are your success will be graded by trophies.
