Report.

Waveney travelled to Sudbury for this second round Tesco county cup game against Long Melford Colts.

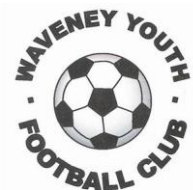

Waveney started brightly and had the early pressure, Joe with a fine cross found Lewis whose shot had the keeper in trouble but a defender was on hand to clear his lines. Both George and Ryan had shots at goal but the keeper saved comfortably. Keelan got a nice move going with a perfect pass which found Liam SS who cut the ball back to Joe and his shot fired over the bar. A neat ball from Sam found Ryan who in turn moved the ball left to Joe who fired from an acute angle low in the bottom corner for Waveney to take the lead.

Ryan was put through and his pace took him clear of the defence but his shot was saved by the out stretched legs of the keeper. Ryan then found Jordan who shot wide and a good move started by Liam SS found Ryan who played in Jordan who was then denied again by the legs of the keeper. Jordan was finding some excellent space and he played in the perfect cross in front of goal to Ryan who somehow headed over the bar. Joe then crossed for Jordan whose shot was saved. Ryan played a delightful ball over the top for Joe who took it in his stride and played the ball back to Ryan who struck the ball with force but his shot hit the post, but quickest to react was Ben who tapped the ball home.

Again Ryan burst through the Melford defence but again the keeper pulled off a good save, then from a corner Bailey struck the ball well but the keeper tipped over the bar. After the break Waveney increased the lead inside a minute when the dangerous Jordan again found time in the box to pick out Ben with a perfect cross to head home. Liam Brown then produced some lovely footwork to drift in to the box and passed to Ben who just fired wide.

The goal of the game came next when a 4 man move resulted in a goal, Liam Brown moved sweetly down the left and played the ball to Ryan who turned and played in Ben who instantly chipped the ball over the defence for the on running Jordan who calmly collected the ball and he himself chipped the keeper.

## Waveney Youth F. C. Match Report

Ben had a shot and the rebound went to Shaun who also fired at goal but Jordan was on hand to pick up the loose ball to notch the 5<sup>th</sup>. No 6 came when Jordan jinxed his way through the Melford back line and played in the unmarked Joe who made no mistake. Jordan was again the maker for No 7 as his neat footwork gained some space and he played in Ben who rifled passed the keeper for his hat trick. Sam scored the final goal to score his first goal for the club after good work from Ben.

Credit to Long Melford who tried hard to the very end.

Guys.

All in all and especially after the long journey this was a very pleasing result. There was some exceptional play on the day and a lot of good performance's put in, the play was superb on what was really not a very good pitch.

Keep up the good work
