Honington Foxes Youth		0	V.	9	Waveney Youth B
				Jake Cross (3) Lawson Crago-Moore (2) Alex Cross (2) Kallum Rowe Mason Heath	
Referee:	George Byrne				

Report:

With a lad away and another getting ill on the way to Honington, things seemed tough. The ground itself had furrows rather than lines but the sun shone brightly.

Honington pressed first and penned Waveney back, but woeful shooting let the home side down. Lawson drove at the defence and had a shot saved, but Jake followed up and chipped the keeper to take the lead. A few minutes later Dominic released Danny at right back who played a ball up the line to Harry S, who in turn played a diagonal ball to Alex to shoot at the goal, but the keeper saved and Lawson responded sweetly thumping the ball away. On 22 minutes Kallum increased the lead with Waveney now dominating play and swung a corner straight in with the keeper only getting finger tips to the ball. 2 more goals were added before the break, both by the impressive Jake playing in midfield. First Corey placed a ball in front of him and he charged deep into the box and slotted home from an acute angle. Just before the half time whistle Jake met another Kallum corner to head into the net for his hat-trick.

The second half saw a few changes to Waveney and for the opening 17 minutes Honington hassled and hurried the ball making life very difficult, but Mason latched on to a long goal kick and chased and chased never giving up, this earned him a well taken goal getting to the ball and finishing before the keeper could get there. Alex made it 7-0 after he out muscled the back line and stood up strong to win the ball and slot away in the far corner. He then added his second with a well struck shot from the edge of the box. Lawson wrapped things up chipping the keeper from the edge on a tight angle adding to an emphatic 9-0 score line.

Honington themselves can be proud of the way they played and had some good lads with tremendous spirit, unfortunately Waveney got the killer instinct after the first couple of goals and never looked back.

Congratulations boys on the result, you played the nice football, you took your chances and the reward came – well done.

Hi-Tech Player of the Match:	Kallum Rowe
