Report:

The first league game of the season saw newly promoted and re-badged B team face a strong Waveney A side. Both sides competed at a fast and frantic pace in the opening quarter of an hour with the B team edging it slightly.

First blood was to the A side; after a mix up in the box Liam pounced to poke home from very close range. The underdogs drew level a minute later with Alexander chipping the keeper after some nice interplay in the middle of the park with Danny, Kallum & Corey. Joe then beat his marker twice on the wing to score 2 great goals...the first a rocket and the second a deft chip.

The second half belonged to the A side with them pressing hard and closing the space quicker. This resulted in 2 fairly quick goals making the game very comfortable indeed and a cracking game to watch. The B side had a shuffle and Harry S latched on to a measured pass before slotting the ball well into the corner. JJ came more into the game in the final 5 minutes realising he could beat the right back, but this was a little too late to have any real impact on the game.

The final score was 6-2 to the A side, but the B team shouldn't be too despondent with 3 players missing and overall a good performance. Lads, you just need to build on the game today and look forward to the next one.
