Report:

This game should have seen the away side collect all 3 points after another good attacking display from Waveney, but the linesman had other ideas.

Kallum pulled up in the warm up and couldn't start, so after a re-shuffle of players the game started with Waveney quickly putting Caister on the back foot. Their keeper and defence were kept busy in this period, but on 8 minutes they fired a long ball up field; Daniel missed the header and came down hard on his leg...this left him out of position laying on the floor, but Caister took advantage and slotted the ball nicely away for 1-0.

With Daniel replaced immediately the team carried on as before and maintained possession and pushed for the goal, but every attack seemed to be deemed offside, thus making the game a poor spectacle.

In the second half Caister increased their lead after Dominic made a fine save but couldn't pick up the rebound which was put in form a metre out. Waveney tried everything to get back in the game and the one time the referee overruled the linesman the goal stood with Corey slotting in from the edge of the box. Harry S had one ruled out after volleying a Kallum free kick and many attempts were made by the away side. But nothing was allowed to be finished off, with the flag being raised at every opportunity.

Boys you played very well today, and despite the obstacles you kept your shape and discipline...keep it up, believe in yourselves and listen to instructions from the coaching staff and the points will come.
