Date:	17 th January 2010	Kick Off:	12 noon
Lawford Junior Blues U13	4	V.	2 Waveney Youth U13B
		Jordan Jayson	
Referee:	Ross Cooper		

Report:

Waveney travelled to Essex on a fine and sunny day, but came away without the victory after too many individual errors and lack of commitment cost them dearly.

Lawford started the brighter team, more physical and communicating loudly ensuring they took the home advantage...and on 7 minutes they scored after Waveney allowed a run into the box unchallenged and with the keeper's legs wide the ball crossed the line. Somehow this seemed to spur the away side on and Daniel started to command the backline and challenge like he meant it. The rest of the team seemed inspired and the Suffolk team then took the game by the scruff of the neck with neat passing and pressure on the bigger lads. The equaliser came with Jordan finishing a superb flowing move involving most of the team.

Although Waveney were the better technical team and retained the ball for major periods of possession Lawford added a further 2 goals before the break. Both again too easy with Waveney allowing shots on goal unchallenged.

Changes were made at halftime with injury and necessity, unfortunately this didn't stem the attack and Lawford added a 4th early on. Dominic then came off with another injury and Jordan hit the deck after being clattered hard. Daniel went in goal and Corey & Mason dropped to the backline with Brandon at left back. This allowed changes further up the field and Waveney pressed to get back in the game, but Lawford's 5 man defence stood firm throwing bodies into everything. 2 clear shouts for handball in the box seemed to go unnoticed by the referee.

Jayson did add one for Waveney after pushing up for a corner but it wasn't enough and we wish Lawford well in the semi-final.

Today was a bad day at the office lads, let's put this down to experience and bounce back for the next game. Some players put the work in, but it has to be all players otherwise the results won't be in our favour...
