### Report:

Rangers pushed from the start and looked very quick and physical, and rocked Waveney for the opening few minutes. On 3 minutes the home side took the lead with a powered in free kick and a free header allowing them to take the lead. Waveney composed and started to match their opponents with Alexander getting one back after rounding the keeper. Waveney had several more chances in the 1<sup>st</sup> period and hit the bar with Kallum's super free kick. Alex and Lawson tormented the back line and Corey, Jake, Jordan and Harry backed up in the midfield allowing plenty of chances to be created but without the final touch. Waveney played the better football at times but could not cope with the pace and direct play of the forwards, and went in 4-1 down at the break.

Changes of personnel at half time seemed to give a huge advantage to Rangers and they capitalised scoring 3 quick goals which lifted their heads and knocked the stuffing out of the boys in gold.

Most of this half was spent on the back foot, but gradually with the re-shaping of the team Waveney dominated the last 15 minutes and again had plenty of chances to add at least add 3 more goals to the score sheet, but this did not happen and Gorleston ran out 8-1 winners. A rather flattering score line, which didn't truly reflect the game, but with their pace and power you will get punished and they took their chances well.

Lads, don't be too despondent as at times you definitely played the better football, but you must remain positive and keep battling away
