### Report:

Loddon came to a blustery and wet Lowestoft, and eventually kicked off 15 minutes late after a last minute pitch change due to conditions. Waveney started brighter and immediately pushed Loddon back trying the impressive keeper out early on. Then a barrage of shots followed with the keeper standing firm until the 23<sup>rd</sup> minute when Jordan found the net. Alexander made a deep run into the Loddon half and found Harry S on the wing to fire in a shot which the keeper saved but there was Jordan following up to tap in under the keepers diving body. The first half was an entertaining attacking display from Waveney and limited Loddon to only 2 beaks against the run of play, but remained a tight score line and finished 1-0 at half time.

The second half saw the wind change direction and the opposition play with the elements behind them. Danny and James entered play soon in the half and both matched the pace of the game ensuring accurate passes and shots maintained on the Loddon goal. Slowly the away side started to win the midfield battle and had 2 ferocious shots from distance, but Dominic with little else to do in the match pulled off two stunning saves to compliment the fine strikes.

Waveney changed the side around and accommodated all the substitutes but had to revert back to the early shape to gain control again. This paid dividends with Mason perfectly positioned on the edge of the box to fire home a measured lob over the keeper. This put the game out of reach with only seconds to go...

It could quite easily have been 6-0 to Waveney if it wasn't for the heroics of the Loddon keeper who positioned himself well and commanded his box very well indeed. Equally, Loddon could have scored twice but for the quick hands of the Waveney goalie...
