

Waveney Youth F. C.

Match Report

Competition	NSYL	Division	1
Date:	20 th September 2009	Kick Off:	10:30am
Waveney Youth FC 'B'	0	V.	0 Caister 'A'
Referee:		Tom Critoph	

Report:

Both teams played a really entertaining match with pressure a plenty and end to end goal threats. Caister started the brighter team and controlled the opening 20 minutes, with the wind behind them and a goal keeper with super kicks they pressed hard and searched for the early goal. Waveney finished the half stronger and came in to break goalless.

The second half saw both teams go close and Caister hitting the cross-bar. Harry S was clear on goal several times but unfortunately left his shooting boots at home, Danny should have wrapped things up late on, but somehow dragged his shot wide. Jake pushed forward from the back and ran the entire length of the pitch before being tackled at the last minute in the opponent's penalty area. The back four and keeper stood firm with Dominic reacting quicker and Daniel winning every header.

Overall a fair result and a fast paced match, either side could have got all 3 points but on reflection a draw cannot be grumbled at.

Boys you created chances today and kept a clean sheet...we have to take positives from this; but in front of goal you must have more composure and the end product will come. Keep your heads up and let's look forward to the next match.

Hi-Tech - Player of the Match:	Daniel Overy
