

Waveney Youth F. C.

Match Report

Competition	Shield	Division / Round	SemiFinal
Date:	21 st March 2010	Kick Off:	14.00hrs
Gorleston Rangers U13B	5	V.	2 WYFC U13B
		Lawson (1), Jake (1)	
Referee:	Daniel Wright		

Report:

Overall Gorleston were the better, sharper team and deserved the victory and safe passage to the Shield Final. The home side came out of the blocks quicker, pushed hard and ensured they took the lead with 2 well taken goals in the opening 10 minutes. Waveney lost their shape, put their heads down and looked beaten too early on...but with instruction and belief they came back into the match and pulled a goal back before the break.

Brandon played a ball into the box, the referee gave a penalty for a push and Lawson stepped up and tucked the ball away neatly.

Unfortunately 2 minutes in to the second period Gorleston scored a 3rd and looked like deserved victors with the game being played at a thrilling pace, end to end and both sides rattling the woodwork as well as having goals disallowed.

Rangers made it 4 before Jake scored a great header from a corner. Just as the changes were being decided on the sidelines Gorleston made it 5 with 10 minutes to go...this was too much to come back from but the boys gave it their best shot, but unfortunately too many influential players did not step up to the mark, and with two injuries and the substitutes playing out of position it wasn't to be. Rangers played attractive football, spread the ball around well and battled through the centre with strength and determination...well done to you. Good luck in the final and division one next season.

Hi-Tech Player of the Match:	Lewis Cooper
