WYFC U13B	1	V.	5 WYFC U13A
Harry S	Lewis Liam SS George Joe Sam pen		
Referee:	Ollie Hall		

Report:

Waveney A thought they were going to win this encounter before they had even kicked off and they duly obliged with all 3 points; but the B team made them work for it and ensured they knew that they had been in a game.

The opening period saw the A team attack hard and pen the B team back, but with a combination of luck, woeful finishing and dogged defending the score stayed even. First blood was to the underdogs, Harry S and Alexander linked well on the wing and Harry finished a fine turn and shot to bury the ball in the net. This turned out to be the best goal of the game but unfortunately the B's couldn't add anymore to their tally.

Lewis evened things up with a scuffed shot in the 6 yard box, Liam SS and George both scored from headers after having the luxury of being unmarked from corners to make the game 3-1 to the A's. Both wingers for the B team beat their respective full backs on several occasions but Bradley kept things at bay in the sticks. Alexander fought tirelessly up front on his own and held the ball up well; Lawson, Corey and Jake battled hard in the centre and protected the backline, not afraid to stick their body in the way of a shot to help the cause.

The second period saw the B team face the driving wind and rain which seemed to hold off in the opening half, but this didn't put them off and in fact seemed to perk them up as they fought hard and nulled the opposition out for 25 minutes. The game looked like it was going to finish a respectable score line, but eventually finished 5-1 in favour of the A team after Joe scored a scrappy goal and Sam tucked away a penalty which came about with the defender being injured.

Great game to watch, with plenty of battling from both teams...well done to you all.

Hi-Tech Player of the Match:	Dominic Winney
