Referee:	Bradley Elvin		

Report:

Bohemians started brightly and moved the ball around well taking the early shots in the game, but Dominic was equal to everything in goal. Waveney then got in their stride after a shaky start and let fly with a couple of shots after outstripping the defence for pace, but the Bohemians keeper was also in fine form. Lewis opened the scoring on 8 minutes after Kallum played a ball up the wing which Harry S fired into the danger area, Corey missed the ball but Lewis slotted away with a half volley. Corey then doubled the lead with a fierce shot beating the keeper at the near post. Jordan narrowly missed with an outstanding volley being tipped away for a corner. Lewis then added a 3rd before the break with Waveney now playing with confidence. Unfortunately one of the opposition players threw a punch at the left back which tarnished the spirit of the game.

The second half saw Waveney press for more goals although they seemed rattled by the earlier incident in the game...Lewis put the game out of reach for 4-0. Bohemians then scored 2 goals to ensure a thrilling last 5 minutes.

Brandon finished the scoring late on tapping in from close range after Alexander had done the hard work and beat the keeper from the edge of the box.

It wasn't a particularly nice game out there today lads, but most of you dug deep and showed true spirit and determination to overcome the weather and physical approach that was thrown at you...well done.
