

Waveney Youth F. C. Match Report

Competition	League	Division / Round	One
Date:	Sunday 28 th March 2010	Kick Off:	11.00am
Bohemians U13A	4	V.	1 WYFC U13B
		Brandon	
Referee:	Oliver Eastwood		

Report:

Waveney turned up to a well kept ground in pleasant surroundings, setting the stage for a thrilling game. The away side pressed hardest using the wide men and power through the middle, this put Bohemians on the back foot and Harry S nearly opened the scoring with a lob from the edge of the box but the keeper made a fantastic save to keep the scores level.

After some good defending by both sides Bohemians took the lead with a soft toe poke that went through the embarrassed keeper's legs. Waveney responded with a few more shots but were denied on both occasions; just as the half time whistle was coming Bohemians doubled their lead with a ferocious shot from the left flank. Dominic got a hand to this but couldn't stop the ball nestling in the far corner.

Waveney changed their shape after the break but were soon 3-0 down with some slow defending by the make shift centre half gifting a goal to the forward with little to do.

Lawson, Harry S and Alexander all had chances for Waveney with the keeper beaten but the ball narrowly missed the target each time. Brandon did pull one back after Jake ran through the defence and played a perfect ball out to the left, Brandon read this and slotted the ball away across the diving keeper.

Bohemians then added a 4th with some sloppy defending at a corner and Waveney allowing the ball to trickle in the net.

To be honest either side could have won this match, Waveney had plenty of possession and goal scoring opportunities but gifting a team of this calibre 3 goals is poor. Learn from your mistakes lads' use the instruction and training methods and you will mix it with the best.

Looking forward to the return leg in a few weeks...

Hi-Tech Player of the Match:	Kallum Rowe
