Report:

The game went ahead as normal on a fine pitch with many other teams calling off...

Waveney started very brightly indeed and the new formation looked impressive with Harry S on the wing and Lawson & Alexander up front. Jake moved to the midfield and Kallum dropped into the heart of defence with Danny as full back. The home side switched the ball well, moved quickly and looked for the early goal. On 6 minutes Alexander was felled in the box after a strong run, Lawson struck the penalty low and hard but the Bungay keeper got strong hand to it and turned the ball round the post. The resulting corner saw the ball crash against the post; was it going to be one of those days?

On 10 Harry S broke the deadlock with a quick shot inside the area leaving the goalie rooted to the spot. Bungay drew level on 22 with a long flighted ball to the striker who chased it down to the left back; Dominic came off his line to collect but didn't connect allowing the ball to be rolled in an empty net. Harry S regained the lead for Waveney before the break with a shot struck from the wings into the danger area, Lawson made it difficult for the keeper and allowed the ball to cross the line.

The second period was played at a slightly lower pace and Bungay created a few good opportunities always looking threatening going forward. Indeed they drew level again with the forward striking a shot which Dominic initially saved but the rebound fell to the striker again and the ball was bundled home. Ten minutes later Waveney regained the lead with a perfectly angled through ball which allowed Alexander to latch onto and hit a rocket from the edge of the box. With 4 minutes of the game remaining Bungay snatched an equaliser with Waveney not clearing their lines defensively and thus allowing the ball to be tapped in from close range.

Boys, you thoroughly deserved the win today and all 3 points as you definitely played the better football, but it is a cruel game and you must remain focussed and on top until the final whistle. Phases of play were really impressive and the balance of play was in our favour so we are surely moving in the right direction. Keep believing and working for each other.
