Date:	06 th December 2009		Kick Off:	10:30am	
WYFC U13B	0	V.	4	WYFC U13A	
Referee:	Tom Critoph				

Report:

With the 3rd meeting of these teams this season, this unfortunately turned out to be the worst performance so far with both teams struggling with the conditions and hardly stringing any passes together or resembling the fluent teams that we have seen previously...

The game finished with a victory to the A side, who progress to the next round and the B team now entering the Shield competition. The opening period was pretty even with both teams fighting for the ball and it took a defensive error with the right back somehow in central defence to swing at a clearance and miss it gifting Jordan a free shot from just inside the box.

At half time several changes were made, as pre-planned and Dominic partnered Mason up front. Kallum pulled on the keepers' jersey and debutant Lewis slotted onto the wing. Unfortunately the boys tried hard but couldn't seem to find their rhythm and a scuffed shot found its way into the net with the ball trickling under the keepers' sodden gloves. The B team then missed 2 glorious opportunities to score with a mix up in the A's box, firstly Dominic just ran out of steam to meet a ball and then Mason somehow couldn't connect 1mtr out...

Kallum pulled off a stunning save to deny a goal bound effort with a strong hand to push the ball round the post, and then the A's made it 4 with a follow up after the keeper had again made a great save but the 2 on rushing forwards made sure they pushed the ball home by connecting hard with both ball and keeper.

Hi-Tech Player of the Match:	Kallum Rowe
