Date:	7 <sup>th</sup> February 2010	Kick Off:	14.00hrs
WYFC U13B	6	V.	3 Halesworth
Harry Sopp (3) Jordan Johnston Lawson Crago-Moore Jake Cross			
Referee:	Bradley Mingay		

### Report:

Halesworth started the match in determined mood and attacked for the opening few minutes. With good stature and physical presence they would always be a danger especially from set pieces...but it was the home side that took the lead with Harry S finishing off a speedy break with his left foot. Harry then doubled the lead on 15 with a rasping shot as Waveney played the ball around well using both flanks and quick pace up front. Joe, Calum & Liam made the numbers up from the U12's with only 9 players available to start for the B team at kick-off. These boys certainly did not look out of place and added to the fine show on display. Halesworth pulled a goal back with an error in midfield leading to the wing back losing his footing and the keeper helpless to deal with the one on one. Jordan restored the 2 goal advantage with a superb free kick leaving the opposing keeper rooted to the spot. Just as it looked like the goals would flood in for Waveney Halesworth added another after catching the left back short of pace thus allowing him to shoot across goal for a fine finish.

At half time Lawson & Jake entered play after shooting back from representing the county at table tennis. This seemed to liven things up again and Harry S got his deserved hat-trick after being felled in the box and tucking away the resulting penalty. Lawson got on the score sheet with a sweet left foot thundering the ball in from the edge of the box. The Halesworth keeper then saved another penalty diving low to his left. Giving some belief to the away side they pressed hard and attacked in numbers and finally got their reward with a great headed goal from a corner. Waveney responded in the best way possible and Jake fired a goal home inside the six yard box to ensure safe passage to the next round

Hi-Tech Player of the Match:	Harry Sopp
