Report:

Waveney started the game with a structured plan and it paid off with the Lowestoft boys coming away with all 3 points. Jake hit the bar in the opening 2 minutes and Lawson played havoc on the wings leaving the full back in his wake on several occasions. Saying that Bungay stifled the attackers, and broke with pace making this a very interesting game to watch from the sidelines.

The away side opened the scoring with Lawson whipping a ball into the box, the attackers pressing and ending up in the net off a defender. Bungay then equalised 3 minutes after with Dominic reacting too slowly to a daisy cutter of a shot, thus gifting the home side to a goal...Corey put Waveney back in front with a low shot into the corner ensuring the keeper couldn't reach it. Lewis scored his 4th in 2 games a minute before the break making it 3-1 to the boys in gold.

Bungay came out hard in the second half and made it difficult for Waveney keeping them on the back foot. But the midfield and defence stood firm making challenge after challenge when called upon. Jordan and Brandon linked well on the left and kept the supply line open to the forwards.

26 minutes in Bungay scored their 2nd with a back post header, this time the defence not reacting to the movement. Alexander wrapped things up shortly after when Lawson played a sweet pass to the attacker, with lots of work still to do he out muscled the defender and fired past the diving keeper.

Super result today boys, this now makes it 3 straight wins in a row. Keep focussed and listening in training as the work is paying off.
