Date:	8 th November 2009		Kick Off:	1.30pm	
Waveney Youth B		1	V.	3	Brandon Lads
Jake					
Referee:	Callum Walchester				

Report:

Waveney pushed immediately from the whistle and soon had Harry S stretching his legs down the wing and crossing for Alex to test the keeper out. The home side played most of the first half in the same vein with plenty of shots on target and a few wide, but the keeper was playing like he wanted the man of the match accolade! Credit to Brandon who also had some quick physical lads in the defence, all who were willing to fight hard to keep the strikers at bay.

Jake eventually tucked the ball away after rising to meet Jordan's cleverly flighted corner. At this point the game looked like it was going to be put beyond Brandon's reach as the domination of ball possession remained with the home side. But, Brandon equalised before the break after floating a free kick deep into the area; Dominic then saved the header but was left stranded for the follow up to be easily headed over the line.

Waveney kept their shape and spirit in the second period and looked to regain and increase their lead as they kept the pressure on, but the keeper denied them at every attempt...saving at their feet, pushing the ball over the bar and collecting every effort that came his way. Brandon took the lead against the run of play with a long range speculative shot out of nothing which hit the underside of the bar on the way in.

Just before the final whistle they were given a 3rd, which the linesman and Brandon manager did not see cross the line. This seemed to deflate Waveney and they never recovered from this.

It was a good game today, and nothing can be taken away from Brandon, but you will never see a losing side again this season have so much possession and attacking efforts denied.

Hi-Tech Player of the Match:	Jayson Milton
